All students must take examinations as scheduled. It is recognized that in special circumstances and due to emergencies, it may be necessary to schedule delayed examinations. An emergency is defined as a serious illness or injury to the student or a member of his or her immediate family. Special Circumstances are defined as other situations that, in the opinion of the Dean, are sufficient to warrant delay in taking examinations.

Any student taking delayed examinations must have the prior written approval of the Dean.

No examination may be taken prior to the day of the regularly scheduled examination.

If delayed examinations are approved by the Dean, a fee of \$75 will be charged for each such exam taken.

Failure to complete an exam is not sufficient reason for a late or retake exam.
