OPTIONAL ELECTIVES	<p>Students choose from optional Electives offered in Fall, Spring or Summer trimesters. MLS students must pass 7 (or more) elective units as required for MLS conferral. Most students take an elective in summer following first-year classes, during 2nd year, or during summer following 2nd year.</p>			

GENERAL NOTES

Numbers in () besides course titles are class units. *Indicates course is required for graduation. Elective prerequisites are listed in the Elective Description document provided with registration materials. Schedules are subject to change. Classes subject to cancellation due to lack of enrollment. There are a variety of electives offered that are not shown on this schedule; offerings change from trimester to trimester. Please reference the current Catalog for a complete listing.

A/B with course number denotes non-severable two trimester courses. Both trimesters must be successfully completed to receive final A/B Course grade.
